BOYS U15 BASKETBALL

The team had a very successful season this year with the boys making it to the State Quarterfinal series. To reach the quarterfinals we defeated James Fallon 70-13, Murray High 54-39 and Tumut High 77-27 in the Riverina region. Our next opponent from the South Coast was Bombala High who we defeated 63-58 in a very tight game.

This meant we travelled to Bridgecoast Stadium in Terrigal to play the quarter final series. In our pool we were unsuccessful, losing in the final minutes of the game to Kingscliff High 62-70, then Sydney Boys High 42-82 and finally Westfield Sports High 42-81 with a buzzer beating three pointer from halfway a feature of the game. The fish and chips on Terrigal beach went some way to lifting our spirits however.

The team would like to thank Mrs M Wright for her hospitality and accommodation in Sydney and Mr Mollison for his extra training. Things look promising for next year's team.

Mr G Wright

KOOL SKOOLS

On Saturday 19th November 45 young people, parents, teachers and AlburyCity staff made the trip to Melbourne for the 2011 awards night with the hope they might win a couple of awards, not expecting to win the big prize.
Kool Skools is like a mini version of the ARIAs but focuses specifically on young people.
Albury received 11 nominations from best female vocalist, best acoustic track, best alternative rock band to best male vocalist. AlburyCity took out the Koolest Skool which is judged on the number of nominations you receive, the effort gone into the artwork and multimedia, the diversity in the music within the project and also how the community has worked together to make the project happen.
The Kool Skools project has introduced artists such as Deltra Goodrem, Missy Higgins, Anthony Callea and Axle Whitehead.
The project is mostly funded and co-ordinated by AlburyCity Council who are strong supporters of the project. AlburyCity Council has been involved in the project for the past 5 years and believes that the program allows young people to develop their creativity and to learn about the music industry. It also provides local young people the recognition and community support for their talents.
Albury has some amazing young artists, who have great futures in the music industry and this project provides a perfect platform for them to achieve their goals and dreams. The project is built on the great relationships AlburyCity has with schools, parents and importantly the fantastic music teachers.
The Retro Youth Café provides young people with the opportunity to hone their performance ability and a majority of the young people that are a part of the Kool Skools project perform at the Youth Café.

Mandy Wilson, Youth Development Officer
AlburyCity Council
