

ALBURY HIGH SCHOOL
LOCAL AREA EXCURSION INFORMATION & CONSENT FORM

Dear Parent/ Guardian

The purpose of this note is to minimise the number of consent forms that you are required to sign throughout the year. Should any excursions occur that are outside the parameters outlined in this note, eg transport by bus, water activities, or a cost involved, an additional note will be given to students outlining specific details of the excursion.

During the year your child may be required to go on local area excursions to supplement the work being done at school. All of these excursions will be held during school time, will commence and finish at the school, will involve supervised walking to and from the venue and will involve no cost.

Venues that may be visited include, but are not limited to: the Library, the Museum, Performing Arts Centre, Council Chambers, Albury Court House, Commercial Club, Nail Can Hill, Botanical Gardens and local businesses.

During these excursions, students will be required to wear full school uniform.

All of these excursions will have a teacher who has emergency care training and will have been approved by Damian Toohey

Please refer to the back of this page for important information regarding insurance cover and ambulance cover.

Important Information: In the event of injury, no personal injury insurance is provided by the NSW Department of Education for students in relation to school sporting activities, physical education lessons or any other school activity. The Department's public liability cover is fault-based and limited to breaches by the department of its duty of care to students that may result in claims for compensation.

Parents and caregivers are advised to assess the level and extent of their child's involvement in the sport program offered by the school, school sport, zone, region and state school sport associations when deciding whether additional insurance cover is required prior to their child's involvement in the program. Personal accident insurance cover is available through normal retail insurance outlets.

Parents who have private ambulance cover need to check whether that cover extends to interstate travel and make additional arrangements as considered appropriate.

Albury High School purchases ambulance insurance cover for NSW.

The NSW supplementary Sporting Injury Benefits Scheme, funded by the NSW Government, provides limited cover for serious injury resulting in the permanent loss of a prescribed faculty or the use of some prescribed part of the body. The Supplementary Scheme does not cover medical expenses or dental costs.
