ABORIGINAL EDUCATION
We have had a very exciting start to the term with the signing of the partnership agreement between the Principal Mr Ward and our local AECG. Thanks to everyone that contributed to the success of the assembly.

There have been some outstanding sporting achievements with Liam Willcox winning Silver at the Australian All Schools Triathlon Championships in Lake Kawana, Sunshine Coast.

We would like to welcome Julia Thorn to our amazing team at Albury High School.

A MESSAGE FROM JULIA
Hi, my name is Julia Thorn. I am a proud Aboriginal Iwadji woman from the West Arnhem Region, Arnhem Land Northern Territory. I am very happy to be part of such a welcoming and friendly staff here at Albury High School. I look forward to getting to know all of our Aboriginal students, parents and community.

SCHOOL UNIFORM UPDATE
School branded beanies are available for purchase for $19.95 at Lowes Albury. The beanies are the preferred Albury High School headwear for winter.

We encourage all students to purchase a beanie, to keep them warm at school, during winter.

We will be holding a NAIDOC assembly on Tuesday 2 July and a range of events during the week including face painting, traditional Aboriginal games, mural painting, cupcake bake sale, Aboriginal colours day, BBQ lunch, cooking classes and many, many more class based celebrations of our Aboriginal Culture.

RIVERINA DANCE FESTIVAL
On Friday 21 June, Asha Krautz, Alanah Kilo, Sophie Dawson and myself went to Griffith to perform in the Riverina Dance Festival with the James Fallon High School senior and junior ensembles. We performed two shows, a matinee and an evening show. The dance we did was inspired by Gurnica, the painting by Pablo Picasso. We have been training every Tuesday and some weekends.

The next step for the Senior Ensemble is, if we don’t make it to the state dance festival, ‘Schools Spectacular’. This is a state-wide show in Sydney that is broadcast on Channel 7 towards the end of the year.

Amanda Elder and Katrina Joss from James Fallon High School are our ensemble co-ordinators.

DEPUTY PRINCIPAL’S MESSAGE
ACTIVE KIDS VOUCHERS
Active kids learn skills they can use for life, and most of all, they’re having fun.

The NSW Government is helping kids get active with the Active Kids program. This program provides two $100 vouchers for parents, guardians and carers of school-enrolled children to use towards registration and membership fees for sport and active recreation each year. From 1 July 2019, parents, guardians and carers can apply for the second $100 Active Kids voucher.
Voucher 1 is valid January to December and Voucher 2 is valid July to December. The vouchers may be used with a registered activity provider for registration, participation and membership costs for sport, fitness and active recreation activities. For more information go to sport.nsw.gov.au

CAREERS
The Albury Wodonga Career Advisers Association hosts the Albury Wodonga Career and Tertiary Event each year. Tertiary providers from NSW, ACT and Victoria, Industry, Employment agencies, Volunteer and Gap Year programs, Council and Government, Defence and Police are all present. Schools from around the region attend with Year 11 and 12 students.

This is a great opportunity for our students and it was wonderful to witness their interaction with the providers at the event last week. Thank you to Mrs Madden for her work as President of the AWCAA, and their work in providing this opportunity to our students.

Mr Damian Toohey
Deputy Principal

Information for families
Albury High School is a part of The Albury Project, a new way for schools and services to work together to provide support and assistance for our students to achieve their goals and thrive in school, home and life.

What is The Albury Project?
The Albury Project works with young people to understand their strengths and goals, and to help them use those strengths and to gain new skills to achieve their goals.
In particular, The Albury Project supports young people to respond to factors in their lives that could increase their chances of one day becoming homeless, or leaving school early without a plan for what’s next.
Young people and their families can benefit from The Albury Project in many ways. The Albury Project staff will work with school staff, families and anyone else that’s needed, to respond to the needs of each young person they are working with.
The Albury Project will identify which students might benefit from support through a survey that is completed by all students in the school.
We hope that everyone who has the opportunity to participate in The Albury Project will do so because it is a positive thing for young people. But they don’t have to if they would prefer not to.
An information letter will be sent home before the survey so that families know when it is happening. Families can decide at this time if they want their student/s to do the survey. Students may decide at any time not to participate.
